

This GO GREEN! “New Year’s Resolutions” worksheet is sponsored by the Advanced CertTEYL course

www.teyl.com

“I found the reading material provided during the course really made me reconsider my attitude to teaching and my "persona" as a teacher. After completing the course I definitely have a clearer concept of what my place in the classroom is and should be.”

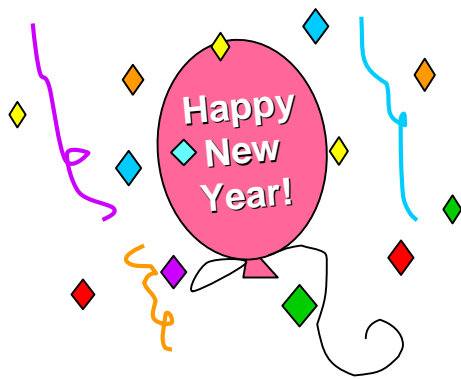

“It was a great learning experience. Though I have been teaching for the last 15 years I learned a lot of new and innovative ideas. Can't wait to use them in the classroom. Thanks.

This course is very useful not only for people beginning their teaching careers but also for practicing teachers. It provides you with excellent and innovative strategies that can be used in different classroom situations.”

The Advanced CertTEYL course is an excellent, high quality course for those who teach English to children. It was developed by teachers for teachers. It is full of practical knowledge and you get unlimited support from a friendly one-to-one tutor.

Great value! US\$525 includes all costs and materials. **www.teyl.com**

Your name _____

YEAR 20__!

Go Green! New Year's Resolutions

Choose at least THREE things from the list that you will try to do this year. These things will help save our planet!

- I will reduce what I buy and consume.
- I will re-use items and not throw them away.
- I will recycle whenever possible.
- I will switch off lights when not using them.
- I will turn off electronic devices when I'm not using them.
- I will walk instead of going in the car as much as possible.
- I will eat a healthy lunch packed in reusable containers.
- I will use less paper. I will use both sides of a sheet whenever possible.
- I will turn off the tap when brushing my teeth.
- I will use reusable water bottles.
- I will take a shower instead of a bath.
- I will buy fruits, vegetables, and other foods that are grown locally.
- Other _____

EARTH thanks you!
