## GO GREEN Santa's List

Santa definitely wants to **go green** this year and needs your help. Add FIVE more green Christmas ideas to Santa's list. Hints: *Christmas lights, turkey dinner, shopping bags, "handmade", reuse*. You can also look on the Internet for more ideas. **Happy Holidays!**

1. Give food baskets with foods grown locally.
2. Give theater or sports tickets rather than a physical item.
3. Organize "Secret Santa" gift exchange to minimize the total number of gifts exchanged.
4. Send **email** Holiday cards instead of paper ones and save thousands of trees.
5. Use reusable fabric gift bags instead of paper wrapping and save even more trees.
